

One Coast, One Future, a consortium of 14 communities in lower Fairfield County under the leadership of the Bridgeport Regional Business Council and The Business Council of Fairfield County in cooperation with the Greater Norwalk Chamber of Commerce, invites public comment on its Comprehensive Economic Development Strategy (CEDS) during a 30 day public comment period. The document, as well as more information on a CEDS, is available for comment at www.cerc.com through August 31, 2009. Once finalized the CEDS will be submitted to the U.S. Economic Development Administration (EDA) for approval in hopes of gaining federal funding for identified projects.

For information on other ways to access the document or to submit comments contact:

Gretchen Deans
